

GIANT INFLATABLE PRODUCT REPLICAS

Giant inflatables product replicas will get instant attention for your product or brand. The giant size alone is guaranteed to attract attention at any event or outside your business. Our giant Inflatable product replicas are created to your unique specifications. We use only the best materials and digital printing techniques to create an inflatable product replica with high attention to detail.

Increase your brand awareness and visibility instantly with a Giant Inflatable product replica

Advertising Kiosks

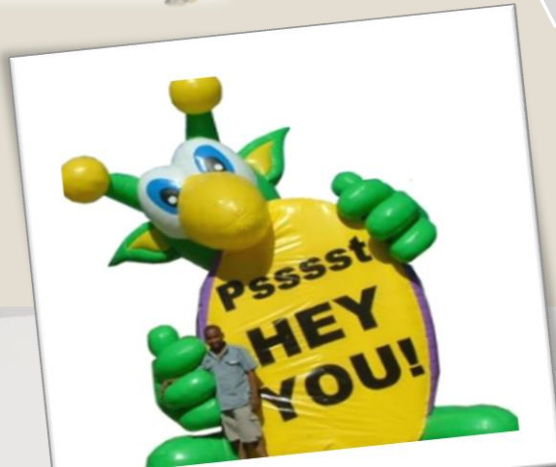

Giant Inflatables create custom branded inflatable kiosks to suit your product or campaign. Custom inflatable kiosks can be shaped to your product or character design. Inflatable kiosks are easy to set up and create a great vibe at any event, mall or activation.

Custom Signs

Custom inflatable signs are powerful attention getters and guaranteed to boost your outdoor advertising campaign. We offer custom inflatable signs in any shape or size from standard billboard designs to giant inflatable character designs or inflatable logos designed to your specifications and corporate colours.

ADVERTISING BALLOONS

Giant advertising balloons are impossible to ignore and can be seen for miles. Just add helium gas, available from most gas outlets and watch your advertising balloon float skywards, defying gravity and demanding instant attention for your brand, event or business. Giant Advertising balloons are guaranteed to be seen as they fly high above traffic and all the other ground-based distractions.

If you are looking for instant visibility, then a giant advertising balloon is the way.
